RE: Technician Verification Request

Dear Ms. Alexander,

As the sponsor for the Ravalli County Airport, we are requesting that Ty Burton be given verification letters on the newly installed Digiwx AWOS system at Hamilton, MT.

All documentation regarding this site should already be on file at your office. Should you have any questions or require additional information, you may contact Airport Manager Page Gough at 406-375-9149 or email address at: pgough@ravallicounty.mt.gov. Copies of the verification letters should also be forwarded to Ty Burton for their files.

If you have any questions, please contact me at 406-375-6500 or commissioners@ravallicounty.mt.gov

Thanking you in advance,

Alan Thompson, Member
Ravalli County Commissioners
